**To: All Haida Distributor**

2020 had already passed and New year 2021 is here !!

The whole market become more difficult because of the Covid-9 effect in 2020 .All of our distributors had already suffered a lot loss .As special support for Haida distributors, we adjusted all pricelist for Haida product in 2021. Haida would like to leave more profit to all consumers and work more harder together with all distributors

So in New Year 2021, we adjusted latest price as below for all distributors .

1: We cancelled the quantity discount .All distributors' order will enjoy the wholesaler price as below.
